

Mexico Tepoztlan

WORDS OF THE DAY: REPULSIVE: “Icky”; ENCOUNTER: A meeting, a chance meeting, an event where something new is introduced. ARCHAEOLOGY: you explain

1. This story is really about how people often don't appreciate their own home towns or neighborhoods without knowing the history and assets of the areas. Perhaps the students will begin wanting to know about their home base
2. You will want to tell the students that the reason Zaniyah wanted a radio was that this was pretty much the upper limits of technology back then. There were no TVs or computers or tablets or video games, etc.
3. Nahuatl is pronounced NaWAatl, and Nahua is pronounced NAwa.
4. Tepoztlan is pronounced just like it is spelled. Have fun with the other words..
